

John Paul Jones

Mr. Jones is the Director of Environmental Regulatory and External Affairs for Alpha Natural Resources, one of the largest coal mining companies in America, headquartered in Abingdon, Virginia. He is a native southwest Virginian and currently resides in Bristol. He has a Bachelor's Degree in Biology, a Master's Degree in Environmental Health, and is a Registered Environmental Manager. Mr. Jones possesses over 30 years of hands-on experience in the environmental field. Most of his career has been spent dealing with environmental issues related to coal mining and natural resource management. He has worked primarily as an industry representative but also has some experience as a regulator and a consultant.

He is currently the Chairman of the Board of Directors and Chairs the Environmental Committee for the Virginia Coal Association, Chairman of the Virginia Governor's Mined Land Reclamation Advisory Committee, and also serves on the Board of Directors for the Virginia Mining Association. Mr. Jones is a participating member of the Environmental Committees for several state and national trade associations.
